

E-MAIL OF THANKS FROM ROBERT COOPER

Dear Brothers and Sisters in Christ at Cornerstone Church,

It was indeed a blessing to have Pr. Paul, Jayne and Kerryn with us here in Brazil. I think I could sum it all up as a time of challenge, change, impartation and forging relationships. We often tend to judge the success of mission on the number of conversions and whilst this is indeed an important factor, I believe that God's main purpose for their trip here was more about challenging and bringing change to God's people.

We praise God for the way he used Pr. Paul in the pulpit, delivering a clear prophetic challenge to the Churches here, encouraging and imparting to God's people. Although there were many precious moments throughout, there are a couple of things that spring to mind that I believe were really significant. First was the message that was ministered in Osasco on the final Tuesday evening where the Lord also used Pr. Paul with a clearly supernatural word of knowledge that we believe brought some of our married couples back from the brink of divorce. The second example concerns the word that Kerryn brought to the discipleship group in Michelle's house. Although I wasn't present personally, the word impacted the women present and also during the time of prayer/ministry God used both Kerryn and Jayne in a powerful way. Having spoken to some of the women present including the head of our intercession team, I believe that God did something very special that night bringing a release to certain ladies who desperately needed it.

In all, the Lord made it very clear that He was involved in every aspect of this mission, as well as all the great ministry moments there were some wonderful moments of simple fellowship, laughter and even tears. I would also like to say that my family here in Brazil were so pleased to welcome Kerryn in as a new addition! her participation was undoubtedly of God and she impacted many lives. We thank you all for releasing the team to come and for all the prayer support. May God richly bless all at Cornerstone.

With love in Christ,
Pr. Robert Cooper
